FINISH

GET TO THE FINISH LINE

POWER YOUR ENGINE WITH TOTAL QUARTZ ENGINE OIL

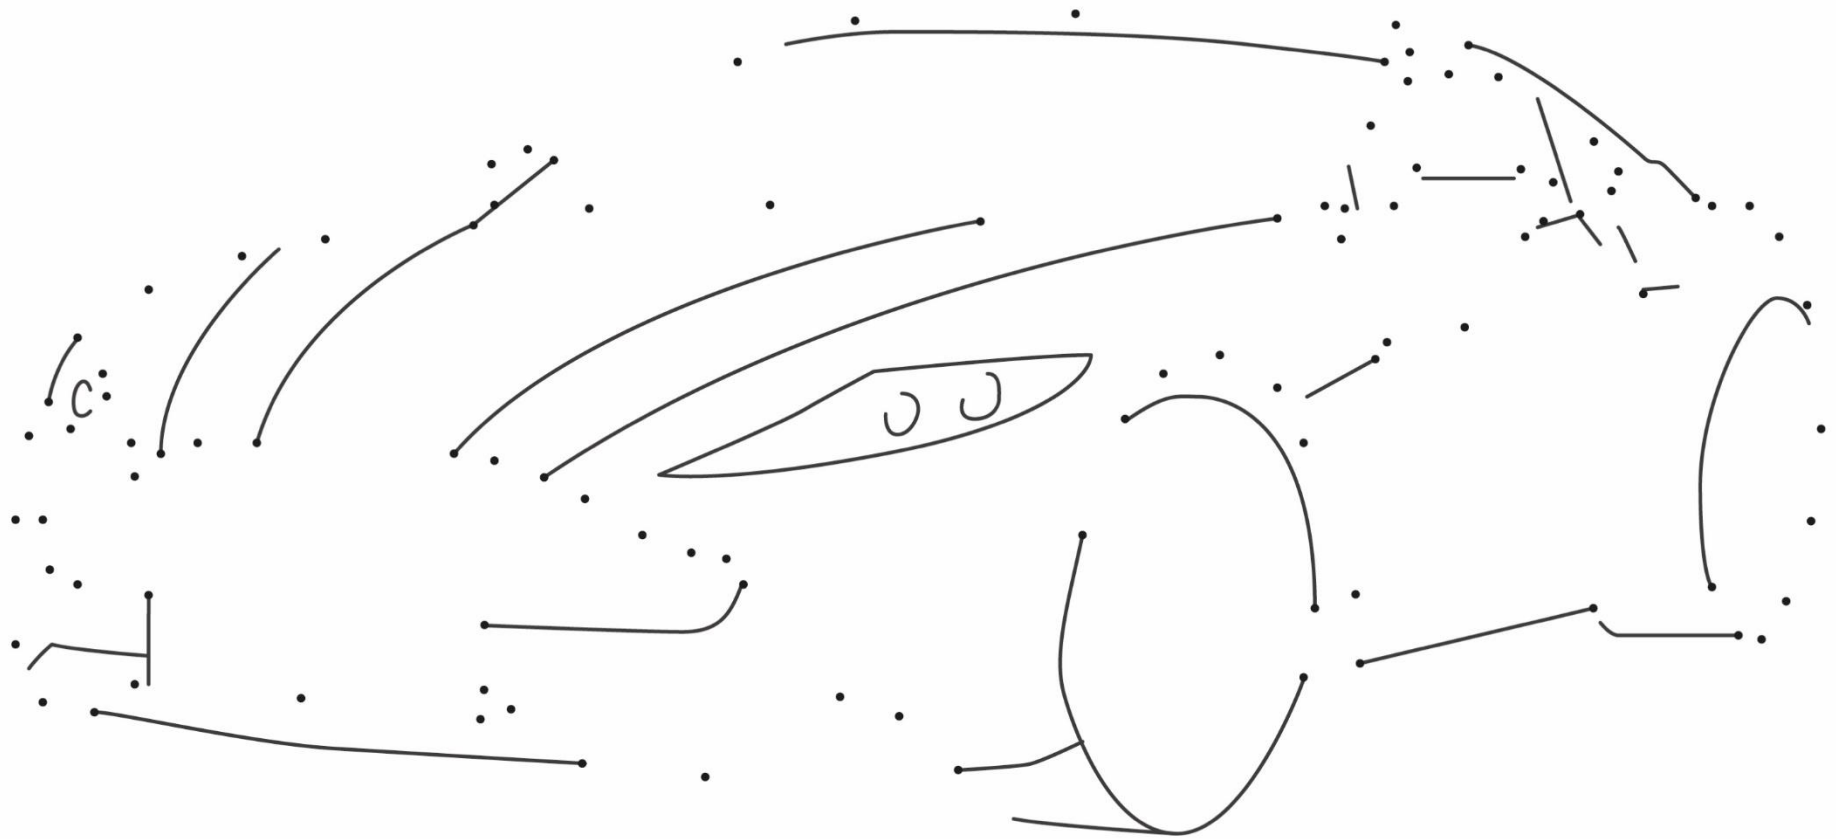

SPOT THE DIFFERENCES

THERE ARE 4

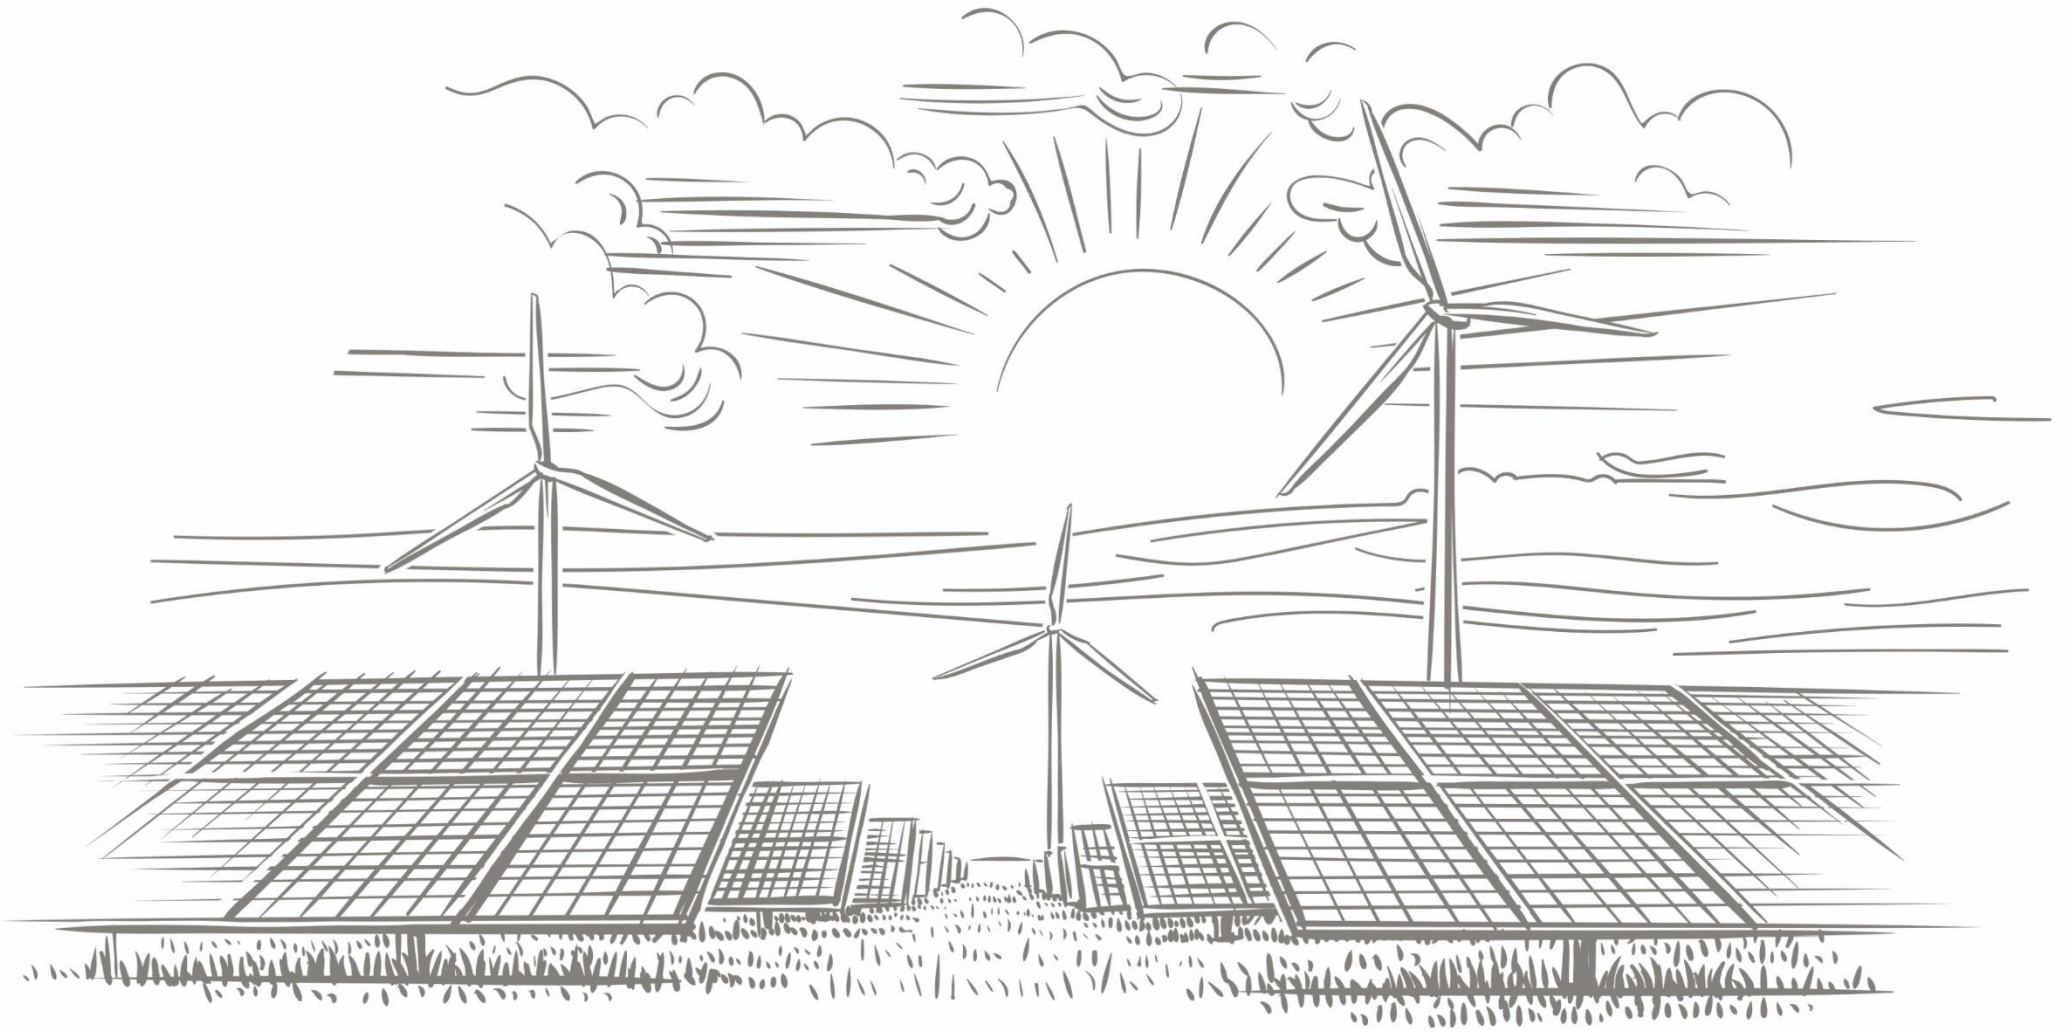

DESIGN YOUR CAR

BY CONNECTING THE DOTS

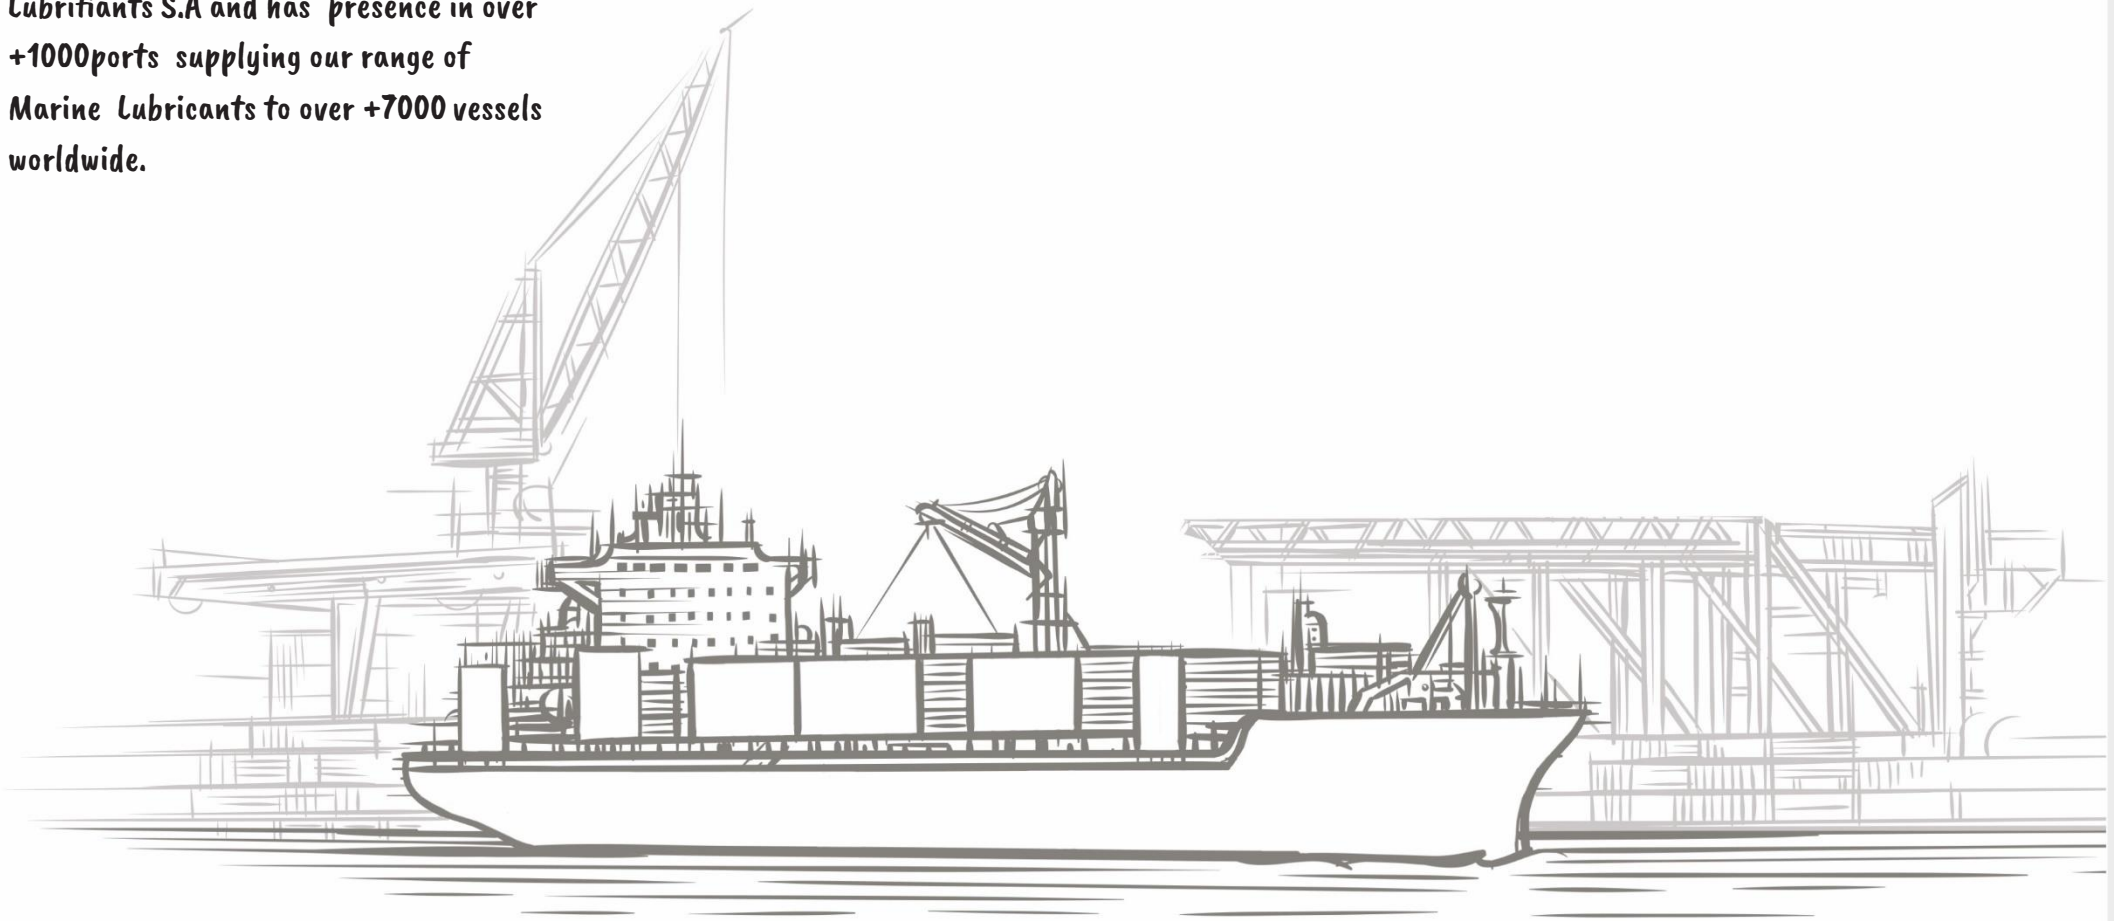

COLOR OUR FUTURE

Did you know?

TOTAL LUBMARINE is a part of Total Lubrificants S.A and has presence in over +1000ports supplying our range of Marine Lubricants to over +7000 vessels worldwide.

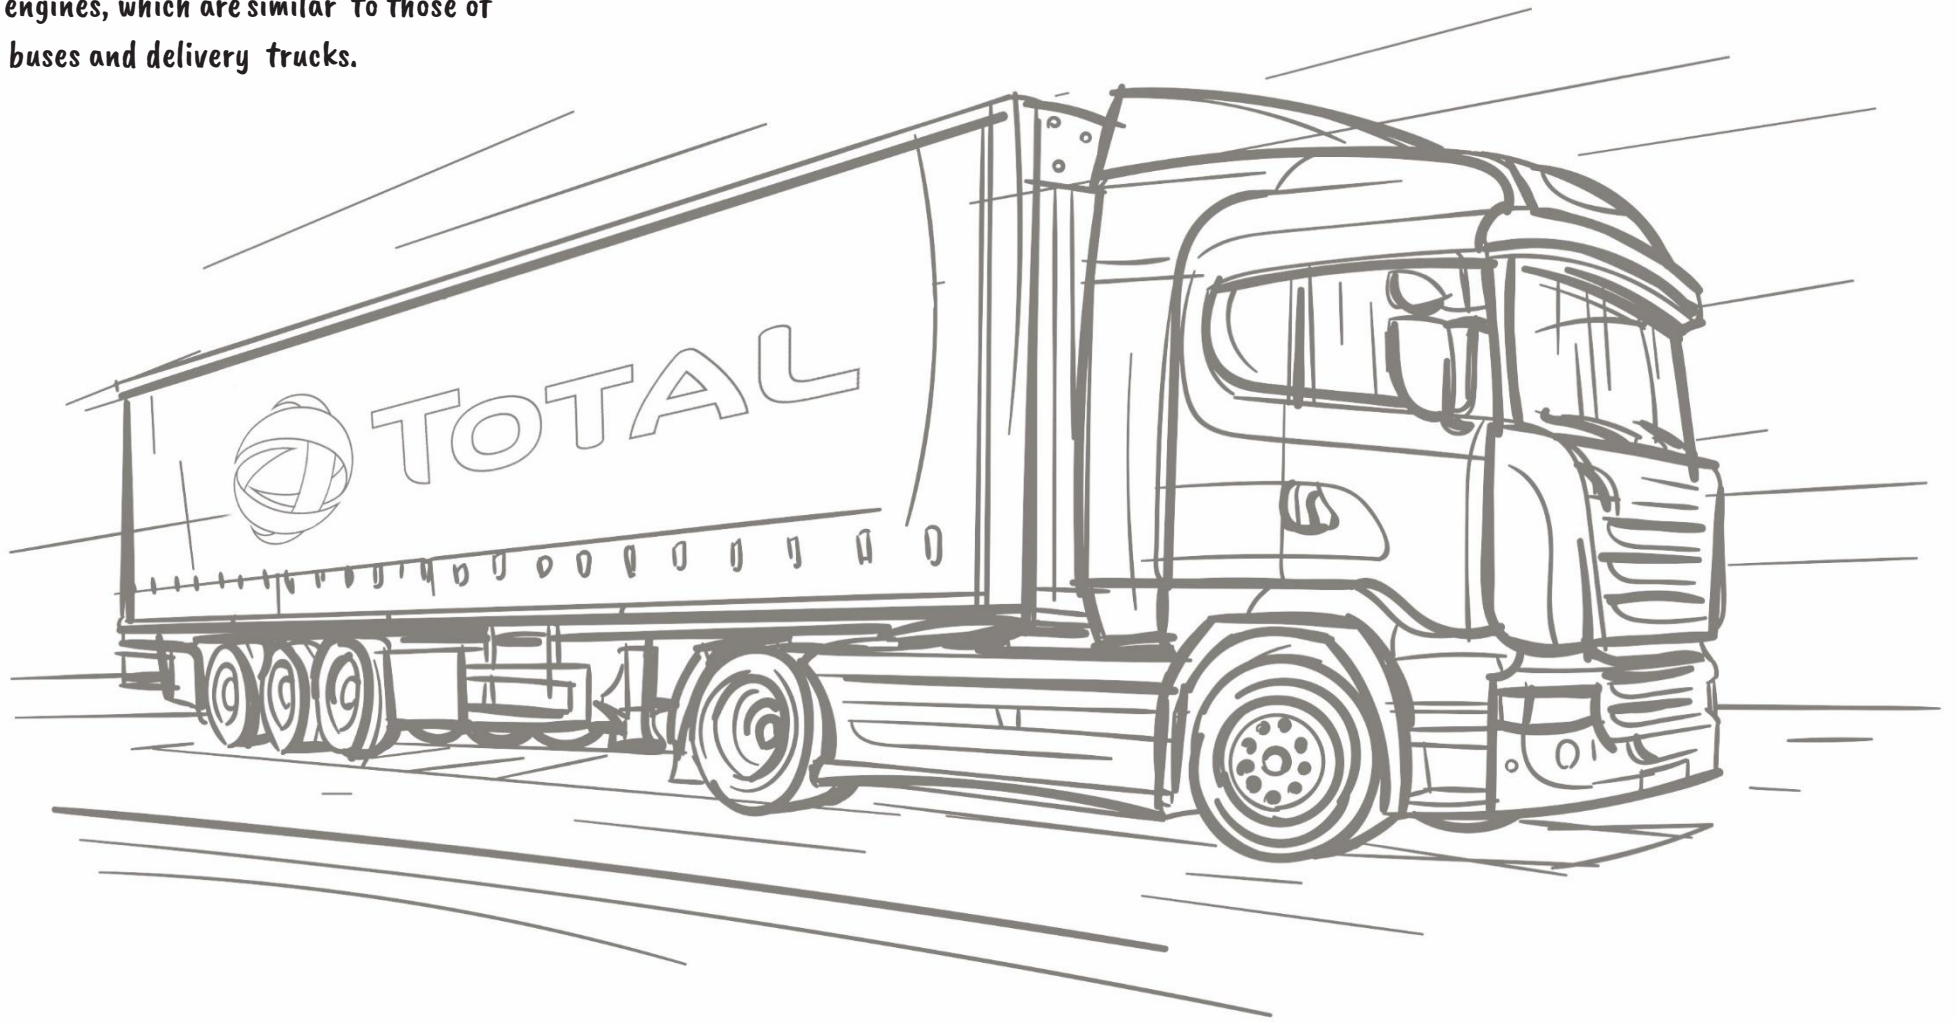

COLOR WITH ENERGY

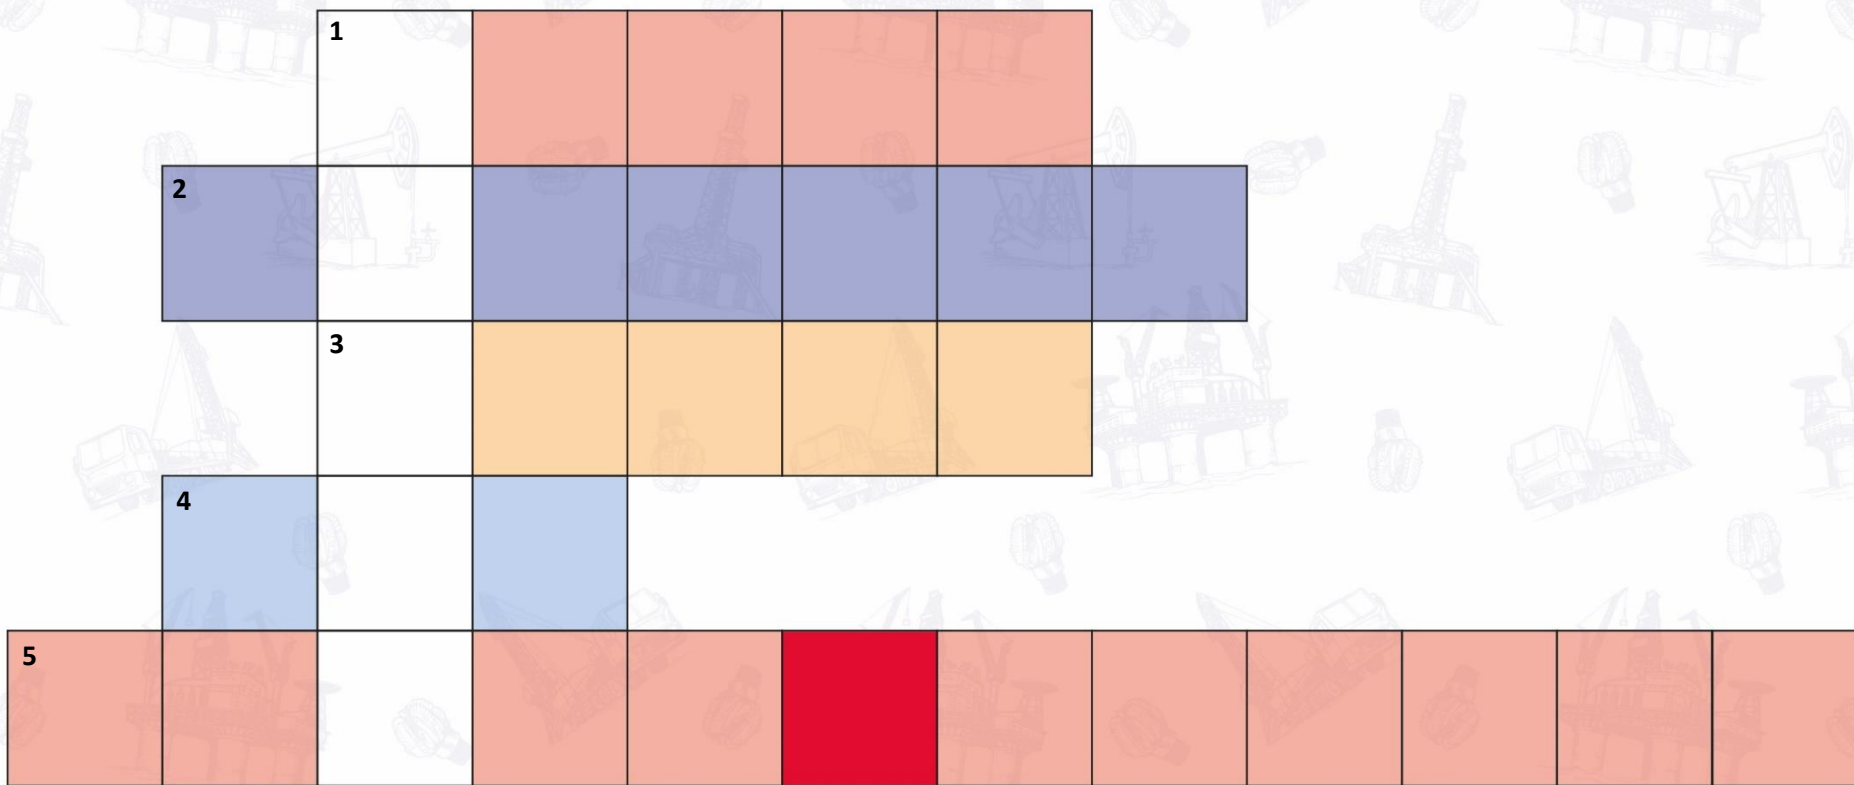

Did you know?

The TOTAL RUBIA range powers the latest diesel engines, which are similar to those of school buses and delivery trucks.

COLOR INSIDE THE LINES

1. I am a heavy vehicle and I fill my engine with Rubia lubricants to maximize my performance.
Check page 7 for an extra hint

2. I am the name they use to call an electric car; fast, strong, single-seated, and used in motorsport championships.
Check page 3 for an extra hint

3. We are ring shaped, connected to the wheel and provide traction on the surface traveled over.
You can find us on page 2, 3 and 4

4. I am the most common mode of transport.
Check page 4 for an extra hint

5. I am the radiant energy emitted by the sun.
Check page 5 for an extra hint
